

BAKING CUP PAPERS

baking cup papers

BPM
TM

BPM is a progressive manufacturer of specialty papers and converted materials for the food service and packaging industries. Our ability to offer full-service printing and wax/polymer coating makes us more than a paper company—we're a value-added partner in your business.

Extensive knowledge of packaging processes and equipment, and the continuing pursuit of new technology, creates a full value outcome for our customers—
 innovation,
 better performing products,
 and diverse capabilities—
 all under one roof.

Serving Up a Proven Performer

- All substrates meet established food grade cleanliness requirements
- Crisp pleating/forming and minimum wall flair provide superior stacking/packing characteristics
- Excellent handling/delivery characteristics due to targeted porosity for vacuum feeding result in a better-than-industry-standard performance in automatic denesting equipment
- Low moisture absorption helps maintain shape of baking cup and minimize spillage in automatic fill operations
