BPM
TM

BPM is a progressive manufacturer of specialty papers and converted materials for the food service and packaging industries. Our ability to offer full-service printing and wax/polymer coating makes us more than a paper company—we're a value-added partner in your business.

Extensive knowledge of packaging processes and equipment, and the continuing pursuit of new technology, creates a full value outcome for our customers—
 innovation,
 better performing products,
 and diverse capabilities—
 all under one roof.

Portioned for Perfection

- All substrates meet established food grade cleanliness requirements
- Runs smoothly through converting equipment
 - Consistent caliper and balanced strength create a clean cut through blanking/die-cutting process with minimal dust
 - Balanced waxed structure and moisture levels provide good dead fold for crisp pleats and tight lip formation
 - Surface characteristics facilitate good cup nesting providing unwavering processing and packaging performance
 - Consistent color ensures uniform packaged appearance
- BPM's versatile product line is designed to accommodate diverse usage requirements while satisfying the varied budgetary needs of our customers
 - Superior holdout/barrier characteristics stand up to demanding applications such as food service/portion control and condiments
 - Economical alternatives are available for less demanding applications such as pill cups
